Skill Hire WA Pty Ltd (Skill Hire WA) deliver the Pre-Apprenticeship course 52443WA Certificate II in Building and Construction (Pathway - Trades), which provides students with the opportunity to learn practical skills and gain an insight into the construction industry.

This training program is funded by the Western Australian Department of Training and Workforce Development.

As a leading Group Training Organisation in Western Australia employing apprentices across all construction trades, Skill Hire supports the growth of the industry through this pathway.

Program structure

Students complete Units of Competency in Occupational Health and Safety, measurements and calculations, handling construction materials, basic hand skills and reading and interpreting plans. There is an emphasis on the practical aspects of building and construction that provides students with the opportunity to participate in basic construction projects.

Program duration

Training runs for 15 weeks, Monday – Thursday, full time. Skill Hire WA deliver these courses throughout the year, usually around four per year. Call 08 9376 2800 to find out when the next course is commencing.

Mode of delivery

Training is delivered face-to-face at Kewdale workshop, 8 Bradford Street Kewdale 6105. Training will be delivered with a mix of theory-based and practical workshop-based learning.

Training is held between 7:30am – 3:30pm (Monday to Thursday). Work placement is also undertaken during the course and must be completed towards successful completion for the qualification.

Student resources

To participate in the 52443WA Certificate II in Building and Construction (Pathway – Trades) students must wear:

- Steel cap boots
- Appropriate work shirts (long or short sleeved) and pants/shorts

Students are to supply the above and must also remember to bring a notebook and pen to training.

Program requirements

Student eligibility: Students must be an Australian citizen or Permanent resident and have full work rights to enrol on the course. There are no pre-requisites for the qualification.

Program commitment

To be awarded the 52443WA Certificate II in Building and Construction (Pathway - Trades), students must attend all training days and must successfully complete all units of competency. Poor attendance may result in being withdrawn from participation. Students must also successfully complete their allocated work placement hours.

Work placement is a mandatory component for all students completing the qualification. Students will be required to undertake 126 hours (carpentry) or 123 hours (bricklaying) placement over the 15 week course duration. Students will be required to log all hours of their placement.

Work placement

Skill Hire WA highly recommend that student's find their own host as it enables students to start talking to contacts within the industry. However, Skill Hire WA can assist with sourcing a host employer if required. If work placement is organised by the student, the host details must be provided to Skill Hire WA, along with the Parent/Guardian consent form, which can be requested at any stage by contacting RTO Administration at training@skillhire.com.au.

Skill Hire WA require parental/guardian consent prior to work placement commencing for all students under 18 years of age.

To attend work placement, students must wear Personal Protective Equipment (PPE) (such as high vis and steel toe capped boots). Each site will have specific requirements, which students will be advised of.

Please be aware that student's must log their tasks and hours and obtain their host's signature at the end of each day for their work placement to be deemed valid.

All students enrolled in the Pre- Apprenticeship program with Skill Hire WA will be covered by Skill Hire WA PTY LTD combined public liability.

Any medical conditions, such as allergies etc. must also be provided to the school prior to work placement commencing.

Pathways

After successful completion of this program, students may wish to undertake an apprenticeship.

For further information on apprenticeships please contact Skill Hire WA's Group Training division on 08 9376 2800.

Further information

Refer to the Online Student Handbook for full policies and procedures.
