

Pre-Apprenticeship Program

52824WA Certificate II in Building and Construction (Pathway - Trades)
Bricklaying/Blocklaying and Carpentry and Joinery

2020 Program Outline

SKILLHIRE

National provider code: 0361

NATIONALLY RECOGNISED
TRAINING

Skill Hire WA Pty Ltd (Skill Hire WA) deliver the Pre-Apprenticeship course 52824WA Certificate II in Building and Construction (Pathway - Trades), which provides students with the opportunity to learn practical skills and gain an insight into the construction industry.

This training program is funded by the Western Australian Department of Training and Workforce Development (DTWD).

As a leading Group Training Organisation in Western Australia employing apprentices across all construction trades, Skill Hire supports the growth of the industry through this pathway.

Program structure

Students complete Units of Competency in Occupational Health and Safety, measurements and calculations, handling construction materials, basic hand skills and reading and interpreting plans.

There is an emphasis on the practical aspects of building and construction that provides students with the opportunity to participate in basic construction projects.

This Pre-course Information is to be read in conjunction with Skill Hire's Student handbook, available via the Training area of the Skill Hire website (www.skillhire.com.au/training). A hard copy can be requested by contacting 08 9376 2814.

Program duration

FORRESTFIELD - Training runs for 15 weeks, Monday – Thursday, full time.

Skill Hire deliver these courses throughout the year, usually with around three intakes per year. Call 08 9376 2800 to find out when the next course is commencing.

Mode of delivery

Training is delivered face-to-face at our Forrestfield workshop. Training will be delivered with a mix of theory-based and practical workshop-based learning.

Training is held between 7:30am – 3:30pm Forrestfield: Monday to Thursday. Work placement is also undertaken during the course and required work placement hours must be fully completed before successful completion of this qualification can occur.

Student resources

To participate in the 52824WA Certificate II in Building and Construction (Pathway – Trades) students must wear:

- Steel capped boots
- Appropriate work shirts (long or short sleeved) and pants/shorts

Students are to supply the above and must also remember to bring a notebook and pen to training.

Program requirements

STUDENT ELIGIBILITY:

Students must be an Australian citizen or Permanent resident and have full work rights to enrol in the course. There are no pre-requisites for the qualification. Students must be at least 15 years of age at course commencement.

Program commitment

To be awarded the 52824WA Certificate II in Building and Construction (Pathway - Trades), students must endeavour to attend all required training days and must successfully complete all units of competency. Poor attendance may result in being withdrawn from participation. Students must also successfully complete their allocated work placement hours.

Work placement is a mandatory component for all students completing this qualification. Students will be required to undertake 126 hours (carpentry) or 123 hours (bricklaying) placement over the duration of the course. Students will be required to log all hours of their placement and obtain host employer sign-off to verify these hours have been completed.

Program cost

CONCESSION (Valid concession card must be provided), **SECONDARY SCHOOL-AGED** (not enrolled at school) and **YOUTH** (All students aged 15 – 24).)

- \$355.99 (Bricklaying/Blocklaying)
- \$290.45 (Carpentry and Joinery)

FULL FEE FOR SERVICE

- \$638.71 (Bricklaying/Blocklaying)
- \$580.01 (Carpentry and Joinery)

CPCCCA2011A	Handle carpentry materials	16
CPCCCA3002A	Carry out setting out	12
	TOTAL	254
	Work placement = 126 hours	

Work placement

Skill Hire WA highly recommend that student's find their own host for work placement as it enables students to establish contacts within the industry. However, Skill Hire WA can assist with sourcing a host employer as required. If work placement is organised by the student, the host employer details must be provided to Skill Hire WA.

Skill Hire WA require parental/guardian consent prior to work placement commencing for all students under 18 years of age.

To attend work placement, students must wear Personal Protective Equipment (PPE) such as high-vis and steel capped boots. Each site may have specific PPE requirements such as a hard hat, which students will be advised of.

Please be aware that student's must log their tasks and hours and obtain their host's signature at the end of each day for their work placement to be deemed valid.

All students enrolled in the Pre- Apprenticeship program with Skill Hire WA will be covered by Skill Hire WA Pty Ltd combined public liability.

How to apply

Applications for upcoming courses will be listed on Skill Hire's website, located at www.skillhire.com.au/training/construction-courses/ then the current 52824WA Certificate II in Building and Construction (Pathway - Trades) course.
