

Skill Hire WA Course Indicative Fee Rates for 2021

National Provider Code: 0361

Please note:

1. These fees are estimates only for students enrolling in (or currently enrolled in) government funded courses in 2020.
2. The indicative fees for a course may differ between training providers due to the units they have included in the course outline. The differences generally result from adapting courses to meet local industry needs.
3. Nominal hours are not hours of training or instruction. They are used to determine course fees and subsidy levels to reflect the cost to deliver quality training.
4. Concession and annual course fee caps may also apply to some courses. Fee caps apply to some tuition fees only. Note: Proof of eligibility for concession must be demonstrated prior to the commencement of the unit. If the concession is valid for the full enrolment period, then all eligible units commenced within that period attract the concession rate. If the concession is valid for part of the enrolment period, then only eligible units commenced prior to the expiry of the concession attract the concession rate.
5. Fees have been quoted on the basis of 2020 fee rates only. These are expected to change in 2021.
6. Other charges may apply.
7. Youth means a person who has reached 15 years of age and is under 25 years old.
